CIRCULAR

Subject: Free services like ECG, Injection charges and Dressing at University Health Centre.

The competent authority has decided that henceforth the services of ECG, Injection charges and Dressing will be provided free of cost by the Health Centre, JNU to all serving/retired employees and their dependant family members, keeping in view of the difficulties expressed by the Health Centre in management of account of the nominal charges for such services from serving/retired employees of the University.

This issues with the approval of the Vice-Chancellor.
