## SUMMER SCHOOL-2022

### RECENT ADVANCES IN LIFE SCIENCES: FROM MOLECULES TO ORGANISMAL BIOLOGY JUNE 20, 2022 to JULY 08, 2022

**About the School:** The School of Life Sciences (SLS) was established in the year 1970. The School stands today as a unique department in the country where multidisciplinary and interdisciplinary teaching and research represent almost all areas of modern biology. For more info, visit: <https://www.jnu.ac.in/sls>

**About the Programme:** The objective of this programme is to motivate young and creative minds to pursue a career in science and research. The Summer School would include talks by eminent scientists in the field of modern biology and hands-on experiments. Each participant will be assigned a mentor and a laboratory in the School of Life Sciences to pursue research training aligned to their field of interest.
